Note to potential Investors

IMPORTANT: You must read the following before continuing. The following applies to this document, the oral presentation of the information in this document by Santander Consumer Bank AG (the “Company”) or any person on behalf of the Company, and any question-and-answer session that follows the oral presentation (collectively, the “Information”). In accessing the Information, you agree to be bound by the following terms and conditions.

The Information may not be reproduced, redistributed, published or passed on to any other person, directly or indirectly, in whole or in part, for any purpose. This document may not be removed from the premises. If this document has been received in error it must be returned immediately to the Company. The Information is not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident of, or located in, any locality, state, country or other jurisdiction where such distribution or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. The Information is not for publication, release or distribution in the United States, the United Kingdom, Australia, Canada, Japan or in any other jurisdiction in which offers or sales would be prohibited by applicable law.

This document and its contents may not be viewed by persons within the United States or “U.S. Persons” (as defined in Regulation S under the Securities Act of 1933, as amended (the “Securities Act”)). The offer and sale of the securities referred to herein (the “Securities”) has not been registered under the Securities Act and the Securities may not be offered or sold in the United States or to U.S. persons unless so registered, or an exemption from the registration requirements of the Securities Act is available. The Company does not intend to register any portion of the offering of the Securities in the United States or to conduct a public offering of the Securities in the United States. By accessing the Information, you represent that you are a non-U.S. person that is outside the United States.

The Information does not constitute or form part of, and should not be construed as an offer or the solicitation of an offer to subscribe for or purchase the Securities, and nothing contained therein shall form the basis of or be relied on in connection with any contract or commitment whatsoever, nor does it constitute a recommendation regarding the Securities. Any decision to purchase the Securities should be made solely on the basis of the information to be contained in the offering memorandum (or equivalent disclosure document) produced in connection with the offering of the Securities. Prospective investors are required to make their own independent investigations and appraisals of the business and financial condition of the Company and the nature of the Securities before taking any investment decision with respect to the Securities. The offering memorandum (or equivalent disclosure document) may contain information different from the Information.

The Information has been prepared by the Company. Banco Santander S.A. and any other manager (the “Managers”) acting in connection with the offering of the Securities are acting exclusively for the Company and no one else, and will not be responsible for providing advice in connection with the Information to any other party. Subject to applicable law, none of the Managers accepts any responsibility whatsoever and makes no representation or warranty, express or implied, for the contents of the Information, including its accuracy, completeness or verification or for any other statement made or purported to be made in connection with the Company and nothing in this document or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. The Managers accordingly disclaim all and any liability whatsoever, whether arising in tort, contract or otherwise (save as referred above) which any of them might otherwise have in respect of the Information or any such statement.

The Information contains forward-looking statements. All statements other than statements of historical fact included in the Information are forward-looking statements. Forward-looking statements give the Company’s current expectations and projections relating to its financial condition, results of operations, plans, objectives, future performance and business. These statements may include, without limitation, any statements preceded by, followed by or including words such as “target,” “believe,” “expect,” “aim,” “intend,” “may,” “anticipate,” “estimate,” “plan,” “project,” “will,” “can have,” “likely,” “should,” “would,” “could” and other words and terms of similar meaning or the negative thereof. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the Company’s control that could cause the Company’s actual results, performance or achievements to be materially different from the expected results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which it will operate in the future.

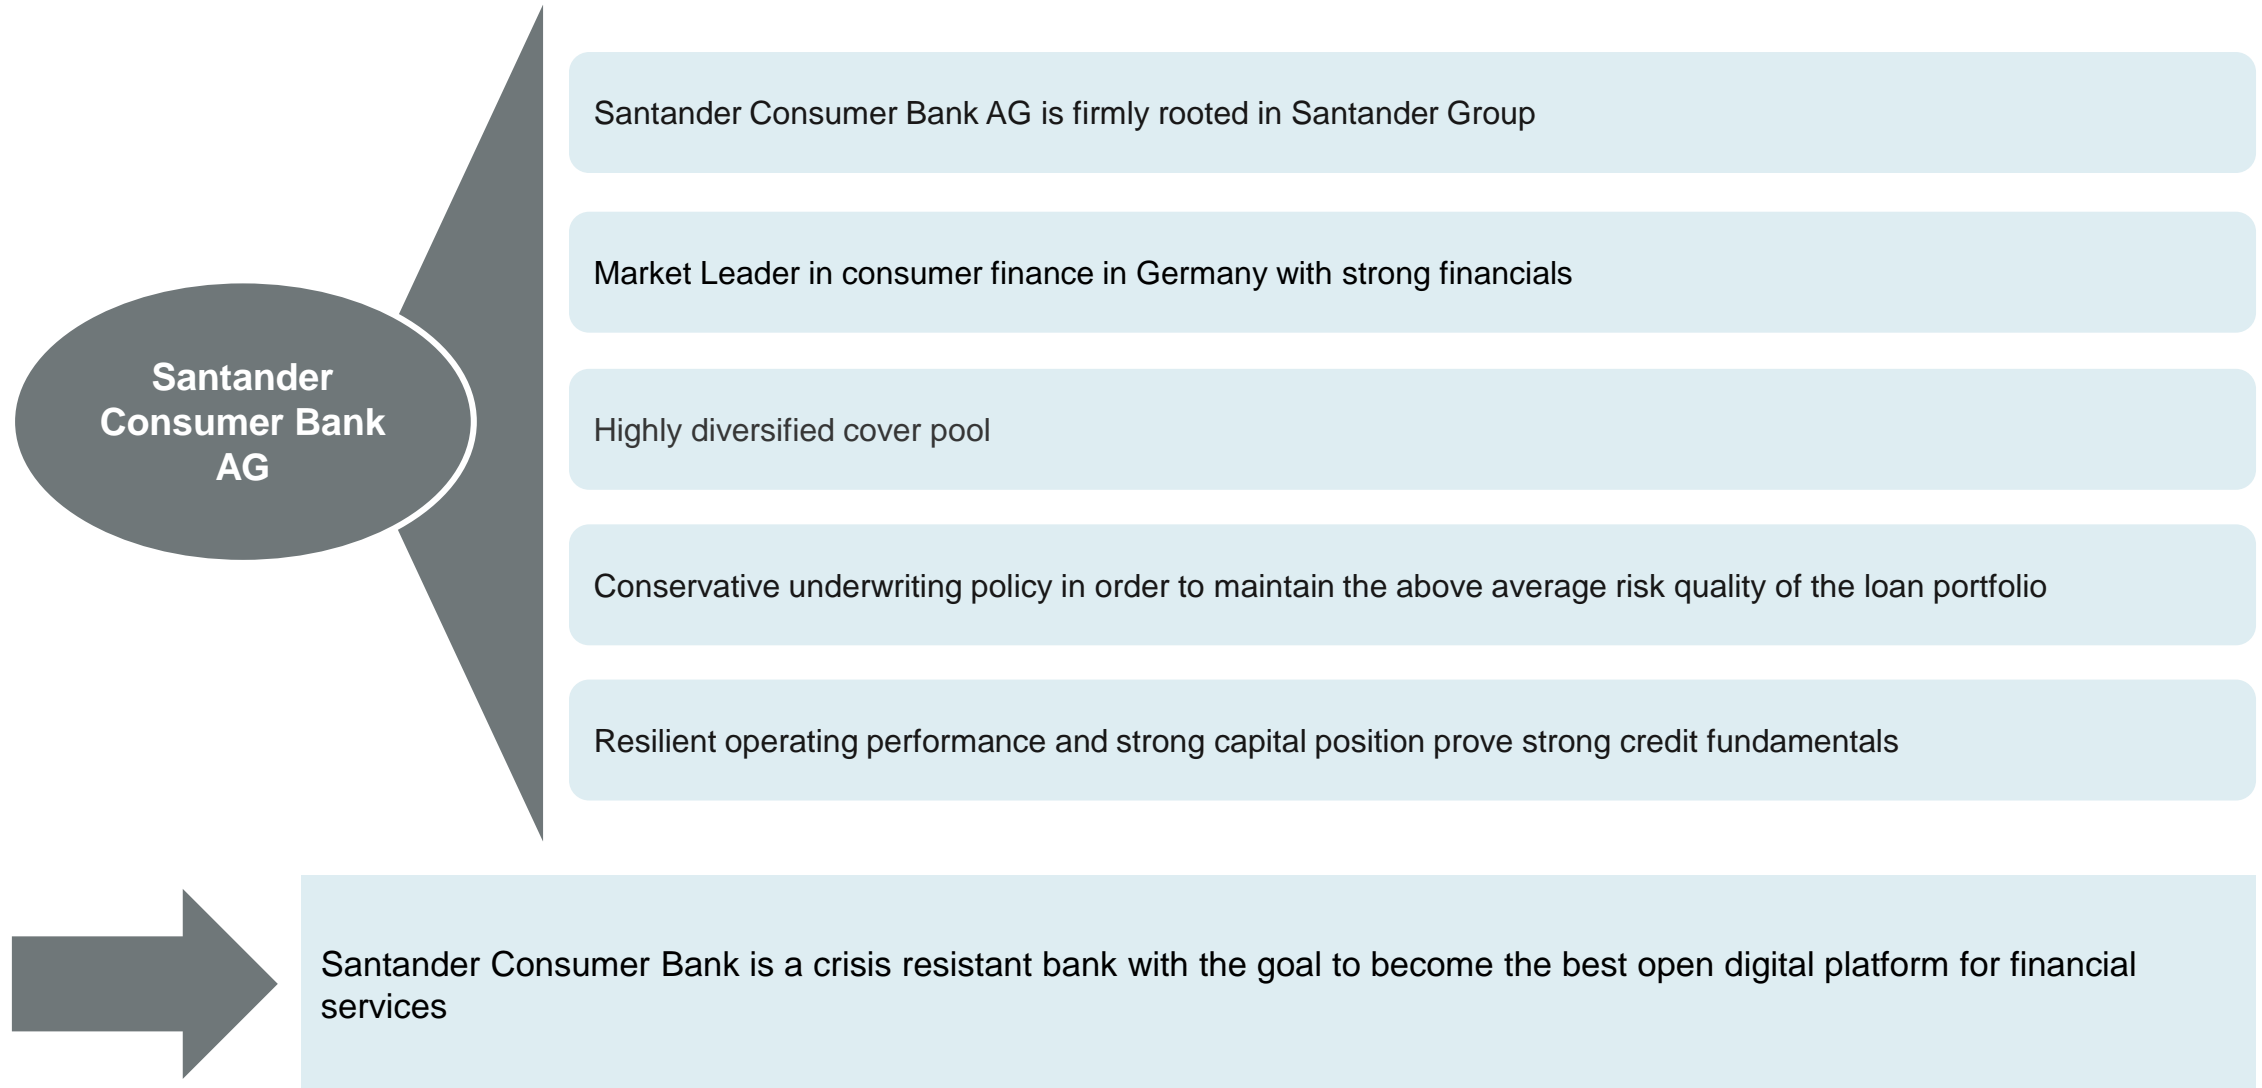

No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the Information or the opinions contained therein. The Information has not been independently verified and will not be updated. The Information, including but not limited to forward-looking statements, applies only as of the date of this document and is not intended to give any assurances as to future results. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to the Information, including any financial data or forward-looking statements, and will not publicly release any revisions it may make to the Information that may result from any change in the Company’s expectations, any change in events, conditions or circumstances on which these forward-looking statements are based, or other events or circumstances arising after the date of this document. Market data used in the Information not attributed to a specific source are estimates of the Company and have not been independently verified.

Relative portfolio share 2020

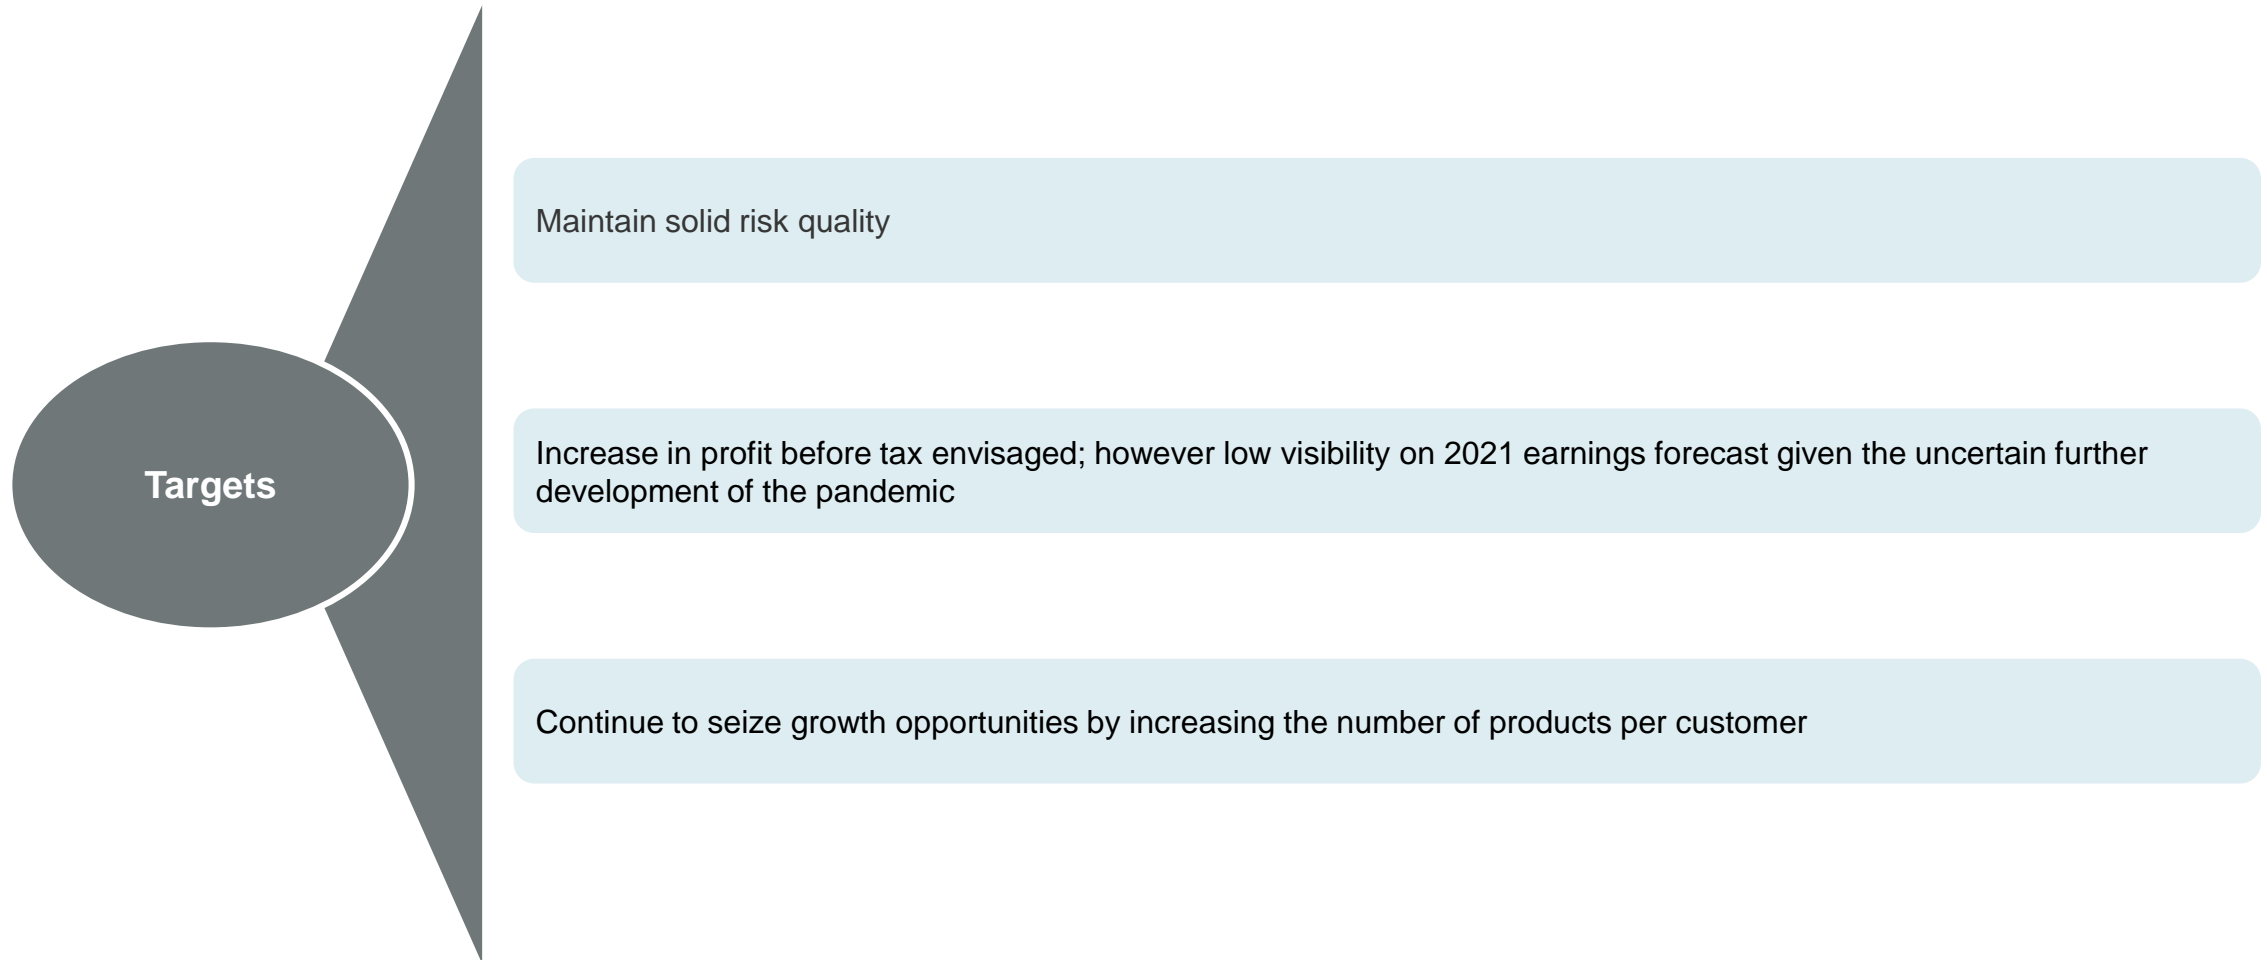

In addition to the impact arising from restriction related to Covid-19 the following aspects influenced the development of customer assets:

- Mobility outstanding decreased due to lower new business (-2.8%)
- Return-driven decline in Consumer Financial Services due to ongoing cancellation of unprofitable business
- Higher outstanding in Direct Business mainly due to increasing terms despite of nearly unchanged turnover
- Decreased outstanding in mortgage business driven by higher redemptions
